Pharmacy Student Summer Internship

What is the VALOR Program?

The pharmacy VALOR program at the Miami VA Medical Center is a summer internship program to provide opportunities for outstanding pharmacy students to develop clinical pharmacy practice skills while working at a VA healthcare facility.

Students spend a total of 400 hours working with pharmacy residents and pharmacists in a variety of pharmacy practice settings:

Outpatient Pharmacy: Students will develop skills in prescription review and dispensing, medication counseling, staff education, and medication distribution systems.

Ambulatory Care: Students will shadow pharmacy residents and interview patients in a variety of disease-state management clinics such as anticoagulation, geriatrics, hypertension, diabetes, and many more.

Formulary Management/Administration: Students will work on formulary and administrative projects relevant to patient care at the VA.
